**[The Conversation Center] actually changes me and I am so glad to see the change.**

I would say that Conversation Center really give me confidences to talk more in class. It makes me feel less nervous when I share ideas or answer questions in class.

She was kind enough for me to feel safe and relaxed.

This program is very helpful to improve speaking English. Thanks.

The best thing is the one-on-one conversation.

Thanks for your perfect conversation center.
